Re: Virgin Mountain Utilities Company; ~~Docket No. W-03551A-98-0204 & W-03551A-98-0205; Decision No. 61525~~; Compliance Filing; Docket No W-03551A-04-0325, CC&N Extension Application Notice

Dear Mr. Johnson:

Please receive this letter as the Virgin Mountain Utilities Company's ("Company") notice to the Director of the Utilities Division of the Company's intent to serve its first customer within 15 days. The subject Decision required the Company to provide this notice, and the Company also provides this information in the support of the pending CC&N Application in Docket Number W-035518-04-0325.

The Company has received the Certificate of Approval of Construction from the Arizona Department of Environmental Quality for the well and related facilities, which Certificate was docketed in the pending CC&N Application in Docket Number 04-0325 on October 18, 2005.

Based upon that authority to operate, the Company will construct approximately 500 feet of ten inch transmission main eastward along the Las Vegas Blvd. toward the expansion area to the boundary of a 30 acre parcel that has requested immediate construction water service, and set an appropriate meter. At the time the Developer has determined the exact lot configuration, the Company and the Developer will enter into a Line Extension Agreement, which agreement will be submitted to the Staff for their review and approval.
